VOL. IX. NO. 43.

CHICAGO, THURSDAY, FEBRUARY 19, 1903.

PRICE 5 CENTS

AUBURN AND MIDWAY ENTRIES.

Washington Park's two stakes for three-year-olds and upward that are not handicaps are the Auburn Stakes and Midway Stakes, both of which are run under selling conditions. Both have filled exceedingly well this year with horses good enough to race over any track in the country, many belonging legitimately to the recognized handicap division. Both afford owners an opportunity to handicap their own horses, and it is easy to foresee that each is bound to result in a thrilling race. The conditions and entries are as follows:

The Auburn Stakes.—A selling sweepstakes for three-year-olds and upward; \$10 to accompany the nomination, \$25 additional for naming to start; \$2,000 added, of which \$100 to the second and \$200 to the third horse. The winner to be sold at auction. Those entered to be sold for \$1,000 to carry weight for age; for \$3,000, allowed 5 lbs.; then 2 lbs for each \$500 to \$2,000; then 1 lb. for each \$100 to \$1,000. Winners of a stakes this year, after the closing of entries, and prior to June 7, when carrying weight for age, or more, not to be entered for less than \$3,000; after June 7, \$4,000. Starters, with selling prices, to be named through the entry box, at the usual hour of closing, the day prior to the race. More than two can be named by the same owner, but only two in the same interest can start; but the starting fees must be paid for all named. 109 nominations. One mile and half a furlong.

GOSSIP OF THE TURF.

It is reported that Foxhall Keene is to take a much more active interest in racing in this country this season than he has for many seasons past. In addition to the horses that have already sported silk in the Keene colors the stable has the amazing number of forty-three two-year-olds that have shown such good form in trials at Brookdale as to induce trainer Rowe to put them in training for the coming season. Most of these youngsters were bred at Castleton, Lexington, Ky., and some of them are the foals of imported mares by English sires which were bought and brought to this country by the Messrs. Keene. But some of the most promising of the lot, according to Mr. Rowe, are the get of stout old Kingston, which is still at the head of the Castleton stud. In the lot are a remarkably strong and racy looking group of fillies by this sire. Others of which much is expected are a brown colt by Kingston—Katherine II, the dam of Petruccio, and a brown filly by Kingston—Citronella. In the lot also are two Hamburg colts which will run in the elder Keene's name. The dam of one is Shipmate, of the other Pastorella, by Springfield—Griselda, the mare that cost Mr. Keene \$10,000 at the Marcus Daly sale. The prizes of the whole lot, however, in the opinion of Mr. James R. Keene, is a brown colt by Kingston—Calico, whose strength, size and quality are said to be of the phenomenal order. He is to be pointed for the most important two-year-old fixtures of 1903.

Winner—B. f, by Kantaka—Lady Pepper (trained by A. Simons). Went to post at 2:01. At post 3 minutes. Start good. Won driving; second the same. Par Excellence was outrun in the first half and Gannon waited with her until straightened out for home, caught Nyx tiring in the last sixteenth and outgamed her in the deciding drive. The latter showed speed throughout and ran a good race. Mollie T. was used up in racing with Nyx and tired at the end. Red Hook moved up fast while rounding the far turn but tired when called on, and was probably short. Mynheer closed a big gap and likes a longer route. Scratched—36032 Delagoa, 114. Overweights—King B., 3 pounds. Par Excellence, show, out. Nyx, show, 2 to 1. Mollie T., show, 2 to 1. Red Hook, show, out.

Denny Duffy raced Prince Webb to defeat in the first half, took command when called on and came away with a rush in the stretch run. Ruby Ray swerved across the track when it came to a hard drive, but caught Prince Webb tiring in the last furlong. The latter showed early speed but found the trip too far. Limelight is of no present account. WisSENDINE quit badly. Bluff broke down and Maple pulled up lame. Scratched—37491 Hanzie, 133. Denny Duffy, show, 1 to 2. Ruby Ray, show, 2 to 1. Time, 25^h, 52^h, 1:18^h, 1:45, 1:57^h. Winner—B. g, by Florist—Donna Sol (trained by J. Carroll). Went to post at 3:02. At post 2 minutes. Start good. Won driving; second easily. The light weight just suited Adelante. He made all his own pace but was doing his best at the end to stall off Cogswell. Hicks was overconfident and never made a move with the latter until in the last sixteenth, where his mount finished fast and would have won in another stride. Major Mansir was always outrun. Huzzah tired as if short. He needed this race. Scratched—(37561) Sheriff Bell, 109. Overweights—Cogswell, 2 pounds. No show betting on first three.

37574 FOURTH RACE—1-2 Mile. 2-year-olds. Colts and Geldings. Selling. The Carnival Stakes. \$1,000 added. Net value to winner \$1,035.

*Apprentice allowance. Time, 25^h, 49^h. Winner—B. c, by Gallantry—Pattie, by Silent Friend (trained by B. C. Bunbury). Went to post at 3:35. At post 4 minutes. Start good. Won driving; second handily. Manshak was quickest in motion at the start and displayed the most early speed, but was tiring at the end and driving to the limit to stall off Dick Bernard. The latter was as good as left at the post but closed a big gap and finished very fast and would have won with a better rider up, as Haack was little help to him when the pinch came. E. C. Runte showed speed but swerved all over the track when called on strongly. Happy Hooligan tired when it came to the final drive. J. Reiff bolted when the barrier went up. Manshak was run up \$2,000 and bought by Durnell & Herz. Dick Bernard was claimed for O. G.

Winner—B. g. by Chorister—Zodiac (trained by E. Trotter).
Went to post at 4:07. At post 4 minutes. Start good. Won driving; second the same. Scorpio broke running and raced St. Cuthbert into submission in the first half, saved ground at every turn and had enough left to stall off a challenge from L'Etrenne. The latter was lame when going to the post and her jockey was of little help to her and she ran on her own courage all the way. Carl Kahler finished fast and hung on gamely under a drive. St. Cuthbert displayed early speed but tired. Bummer quit badly.

Went to post at 4:42. At post 3 minutes. Start good. Won easily; second driving. Bud Embry was much the best. He was under restraint all the way and came away without great effort in the stretch run. Leflare displayed a lot of early speed but was much used in setting the pace and tired at the end but had enough left to stall off Benson Caldwell's challenge. The latter tired when called on strongly. The Way was under a drive all of the last quarter. Erne came wide at the turn into the homestretch.

Winner—Ch. h. by Matt Byrnes—Barmad, by Ill-Used (trained by D. S. Fountain).
Went to post at 2:07. At post 1 minute. Start bad. Won easily; second driving. Bard Burns suddenly regained his form and ran as if he outclassed the field. He received a lucky start and forced the pace throughout coming away decisively at the end. Golden Cottage outstayed E. M. Brattain after a long stretch drive. The latter, nearly left, closed a big gap and finished in unexpectedly game fashion. Katherine Ennis and Rose of Hilo both went well. Troy had no chance at the start.

Scratched—37552 Amasa, 103; 37552 Gibraltar, 103; 37514 Pat Morrissey, 103; 36834 Arthur Ray, 102; 37462 Alaria, 98; 37496 Yrsula, 89.

Went to post at 2:33. At post 1 minute. Start bad. Won easily; second driving. Golden Mineral beat the barrier and led unextended throughout and is evidently another crackerjack. Military Man, away poorly, closed up much ground and finished gamely but was swerving all over the stretch. Bombardier received a lucky start and displayed improved speed and stamina. Lady Laurie and Floriana Bell were close up when a furlong out. Liberia broke and ran green, has worked phenomenal trials and appears like a good one.

Went to post at 3:00. At post 2 minutes. Start bad. Won driving; second the same. James F. was lucky and reserved behind the pacemaker to the stretch where he made good in game fashion. Judge Voorhees, vigorously ridden, closed up fast in the final furlong and was a lucky second. Tommy Knight worked a rough journey and was very badly handled, but finished fast. Dupont made a slow beginning, got away badly and was repeatedly interfered with but tired right at the end. Action also received a bad start and improved his position throughout. Blue Miracle quit after going a fast half.

Winner—B. m. by Lettoon—Anvolee (trained by D. A. Honig).
Went to post at 3:28. At post 2 minutes. Start good. Won easily; second driving. Antolee was skillfully waited with early and when with clear sailing came fast through the last quarter and won a lucky race. Autolight was given a slovenly ride, fell out of the race on the first turn and was waited with a long time before making his move, but finished out the last quarter like a whirlwind and was probably best. Jim Hale showed the most early speed but tired at the end. Dunblane favors mud and fails to stay on a hard track. Divina ran a gad race, but was lame in her preliminary. Sleeping Child had no chance with an incapable jockey.

Went to post at 3:55. At post 5 minutes. Start fair. Won easily; second handily. Rose of May outclassed the field, led unextended throughout and only cantered at the end. Winner—Ch. g. by Rey del Sierras—Jessie R. (trained by J. C. Nealon).
Went to post at 4:25. At post 4 minutes. Start good. Won driving; second easily. Royal Rogue ran a high class race under pressure from the start and gradually wore the pacemaker down in a long final drive. Orsius forced a terrific pace, leading by a wide margin and appeared a sure winner for the first five furlongs, but tired at the end and was beaten out in the last stride. Mocoito went well and should improve. Impetuous, poorly ridden, finished going fast. Golden Light, interfered with several times, lost four lengths on the far turn under a bad ride, but was closing up like a whirlwind at the end.

Scratched—31448 Lomond, 107.
Royal Rogue, show, 1 to 2. Orsius, show, out. Mocoito, show, 3 to 5.

GOSSIP OF THE TURF.

The contract for building the grandstand at the New Kansas City race track has been let. The bid of David H. Barnes of Chicago, has been approved by C. C. Christie, president, and Edward Corrigan, one of the prime movers in the newly organized Kansas City Racing Association. Mr. Barnes will use as a pattern the new stand at Hawthorne, which supplanted the old double-decker structure that was destroyed by fire just after the races on Decoration Day last year. The Kansas City stand will be a steel structure 362 feet long and 92 feet deep, and is expected to be one of the most satisfactory structures of its kind in the country. In fact, the Kansas City plant in all its appointments is to be as nearly as possible a reproduction of Hawthorne. Its stand will have a material advantage over any other in the west from the fact that the land on which it will be built is sloping, and will have a considerable elevation above the track.

Mr. Christie says it will be possible for as many as 10,000 people to see every part of a race from the grandstand, clubhouse and terrace. The grandstand is to be completed by July 1. The grading of the track is now in progress, and it is to be finished by the middle of May.

The racing stable of the Cincinnati turfman, Clem Hellebush, Jr., including Autumn Leaves and the smart three-year-old filly, Lady Matchless, which has been wintering at the Melbourne Stud, was shipped to Memphis last Friday, where they will be trained for the coming campaign. Autumn Leaves has improved wonderfully by her long rest, and both she and Lady Matchless promise to be good winners this season.

There is an unusually big demand for stable room at all of the Long Island tracks. Stables have been requested for more than 2,000 horses and there are not that number available. Sheephead Bay and Brighton Beach will be overtaxed. The wealthy owners all have stables of their own, but the poor turfmen complain of the lack of accommodations. They say that while the racing associations have displayed marked liberality in the hanging up of rich stakes and purses they have forgotten all about increased stable accommodations, which are greatly needed. The poorer class of horsemen want to race at eastern tracks, because the purses and stakes are more attractive than elsewhere, but most of them are financially unable to pay for private stable room far removed from the tracks.

J. E. Madden will take a big string of two-year-olds east this year, according to his annual custom. He has seventy-eight youngsters, the get of Mirthful, Plaudit, Sandringham and Ogden, and forty of them are already in training at Churchill Downs. Among them is a full sister to Aceful, but nobody but Madden has a line on the filly's quality. A

recent visitor to Hamburg Place says that the Madden breeding establishment is complete in all its appointments. It contains 1,900 acres of valuable land and there are 315 horses in the barns, including forty-five yearlings, choicely bred. Several colts sired by Plaudit are said to be the most promising in the Madden string. T. Hitchcock, Jr., who has been visiting Hamburg Place, has gone to Aiken, S. C., where his horses are quartered for the winter.

A stake race of four miles will be run by the Louisiana Jockey Club, which annually holds a six days' meeting at New Orleans next month. The race has been named after the club, which will add \$2,000 to a sweepstake of \$10 each, with \$25 additional to start. A race at this distance has not been run at the Crescent City in twenty years until last year and the revival is intended to recall memories of the four mile heats which were at one time all the rage in the south. If the new race proves successful, its value will be increased with the idea of attracting a better class of horses next year. The only other four mile race on the American racing calendar is the Thornton States, run at California. In establishing the race, the Louisiana Jockey Club will give a boom to long distance racing which is rapidly growing in popularity in the east

GOSSIP OF THE TURF.

The most formidable stable of two-year-olds in point of numbers around New York is that trained by A. J. Joyner at Sheepshead Bay. It may be relied on to produce some that will be heard from, if general conformation and the appearance of many seen at work on the track is any criterion.

Mr. Joyner, it is reported, has the best of the Haggin youngsters in his stable.

The full stable of two-year-olds he trains is as follows:

Rome Respass' crack three-year-old Dick Welles, which was one of the best two-year-olds in the west last year, and which defeated Savable, winner of the Futurity from August Belmont's Lord of the Vale, is now on the mending list. Dick Welles has been ill for some time, but is now going along well and his owner has his eye on the American Derby. Should the colt be a starter in that event Tommy Knight will be his pilot.

Hardy Durham has sold his three-year-old chestnut filly Ella Mortimer, by St. Florian—Recess, and the brown three-year-old filly by Requit—Riddle, to William Harris of St. Louis. They will be raced in the west this year.

Fred Burlew, who is at the Gravesend track with the horses of Newton Bennington and Pierre Lorillard, is making preparations to go to Benning. He expects to ship the latter part of next week in order to give the horses time to get accustomed to their new surroundings before the beginning of the meeting of the Washington Jockey Club on March 23. Burlew has been busy with his horses all winter and they will be in excellent shape for the opening of the eastern racing season. His two-year-olds are in a forward condition and will be fully wound up by the gallops they will get at the Benning track.

T. J. Miller, who was a trainer and owner at Brighton Beach in the early days of that track and was afterwards at Gloucester, N. J., has again entered the training ranks. Mr. Miller has been commissioned by a rich Philadelphia to gather a good stable of horses. The nucleus has been formed with three horses quartered at the Sheepshead Bay track. Four or five more are at pasture near adelphian to gather a good stable of horses. quartered with the others at Sheepshead Bay during the next few days.

The National Steeplechase and Hunt Association will appoint a committee of three to inspect all the jumps at the metropolitan tracks this year. The committee will consist of S. S. Howland, H. S. Page and J. Harry Alexandre. The management of steeplechasing in the east is virtually in the care of Mr. Alexandre, who says all of the tracks except Gravesend can be considered up to the required standard. In regard to Gravesend, where so many accidents occurred last year, Mr. Alexandre says:

"The quality of the jumps caused the trouble at Gravesend. They were high enough and broad enough, but their tops were made of six or seven inches of twigs through which the horses jumped without rising to the usual height. This was the cause of so many falls. The Gravesend jumps will have to be stiffened. They must be patterned after the Morris Park jumps, which are models in their way."

Mr. Alexandre says the Brighton management will be asked to fill in the low parts of its steeplechase course, which is only a few inches above the sea level and is thought to be unsafe in bad weather. A plan is under consideration, too, to have one or two overnight steeplechases each week in addition to the stakes at the different tracks, except Aqueduct and Jamaica, where steeplechasing has been avoided.

So far Owenton has done all that trainer J. C. Milam could wish for this year, and indicates that he will stand training and race. He looks the picture of health, and in his long retirement has grown and spread out wonderfully. The firing operation performed on him last summer was so successful that all the veterinarians say there is no question of his legs being as good now as the day he was foaled. Owenton has always proved an early horse in training, and has generally been fit to show his best in May and June. This season, however, Milam is pointing him for later racing, and it is not likely he will send the son of Owes for the money until the Washington Park meeting. After that, if he fulfills expectations, he will most likely ship him to Saratoga and give him a chance to meet the eastern cracks.

Riley Grannan is at the helm. With the assistance of the greatest corps of track sharps and his own handicapping he is picking the winners and will continue to pick them.

Today he promises two at 4 to 1 that should gallop home. Friday will be his banner day to date. A two-year-old that has not yet shown his best form will be the day's best bet and, at odds of 10 to 1, should gallop home. Saturday the Riley Grannan Co. will close the first week of its existence with a 6 to 1 shot that Mr. Grannan says should lose its field and win in a common canter.

You are invited to join us at once. You can play Riley Grannan's selections yourself or we will play them for you. Here are the terms:
